Connecting Your Consumers

01

Collaborate with us!

We would love to provide digital visiting to your CHSP or HCP consumers.

For CHSP we use the Individual Support - Phone and Web Contact service sub-type

02

Direct them to Be Connected

Be Connected can put them in touch with Digital Tutoring in their area

03

Convert some of your own activities to mixed mode or digital

Keep it simple!

Remember: the less noticeable the technology is the better!
