Activity	Palliative Care Evening for Primary Care	Venue	Marquee, Victoria Park
Date	Wednesday 24 May 2023	RACGP activity	471313

Dr Kylie Norris

MBBS, FRACGP

Dr Kylie Norris obtained her medical degree from the University of NSW in 1991. Her postgraduate hospital & general practice training was completed in Gosford, Tamworth & Armidale.

Since 1998, Kylie has been working in general practice in Brisbane's Western Suburbs, including working in local Aged Care Facilities.

In 2018, Kylie commenced working as GP Liaison Officer for the Metro North RADAR Service. Her GP Liaison roles have since expanded to include projects relating to Aged Care.

Prof Liz Reymond

MBBS (Hons), PhD, FRACGP, FACHPM

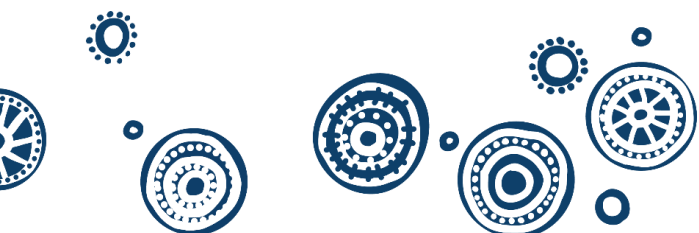

Liz Reymond is a palliative care physician and holds the position of Director of QVAD Support and Pharmacy Service. Liz is also Director of the national *caring@home* projects, Co-Director of the Statewide Office of Advance Care Planning and Co-Director of PallConsult.

Dr Bill Lukin

MBBS, FACEM, FACHPM

Bill is the Acting Director of the Community Palliative Care Service and for the Specialist Palliative Care in Aged Care (SPACE) Project within Metro North Hospital and Health Service. Bill is also Senior Medical Officer for Residential Aged Care District Assessment and Referral team (RADAR) at the RBWH, a consultation liaison service to all residents of residential aged care facilities in the Royal Brisbane and Women's Hospital catchment.

Interested in both aged care and end of life care in emergency medicine, Bill is a dual specialist in emergency medicine and palliative care.

Nicole Hutchinson

BN, MNP

Nicole is a Nurse Practitioner with Metro North Specialist Palliative Care in Aged Care Project, supporting residents, families, General Practitioners, and residential aged care staff to support people with complex palliative care needs.

With more than thirty years of nursing experience in adult acute tertiary and quaternary hospitals, public and private settings, and in the community, Nicole gained a passion for palliative care while working as the state-wide Motor Neurone Disease Clinical Nurse Consultant where she identified a gap in the availability of palliative care for people with non-malignant disease.

Nicole is also currently the Co-Chair of Queensland Palliative Care Clinical Network.

Dr Sue Colen

MBBS, FRACGP

Sue Colen is a General Practitioner with a special interest in providing palliative care in the community. Over her extensive career, Sue also has worked in hospital-based palliative medicine and community specialist palliative care.

Sue's interest has focussed keenly on the incorporation of Whole Person Care which recognises and acknowledges the emotional and spiritual components alongside physical symptom relief for patients facing life limiting illnesses.

Dr Simon Murray

MBBS, FRACGP, MPH, Certificate in Travel Health

After graduating in medicine from The University of Queensland, Simon has worked in a variety of general practice locations, initially in Redcliffe, and then for almost 20 years throughout inner west Brisbane.

His interest in palliative care began with a 3-month term at Mt Olivet Hospital (now known as St Vincent's Private Hospital) as a GP registrar in 1988. This was reinforced by a PEPA placement (Program of Experience in the Palliative Approach) at Prince Charles Hospital in 2008 and from 2009 until recently he was a visiting medical officer at Canossa Private Hospital Palliative Care Ward.

He obtained a Master in Public Health in 1997.

This activity is supported by funding from the Australian Government Department of Health and Aged Care
