

Frequently Asked Questions

How do I register for my personal account?

You can complete the registration form on the [BN HealthPathways](#) login page. [Watch this video](#) if you need assistance with the registration process.

Do I need to accept any conditions during the registration process and how will my data be used?

Yes, you will be required to review and accept the [Privacy Policy and Terms and Conditions](#). Personal data is not shared with third parties. Only aggregated data is used for reporting and research.

What if I choose not to register for a personal HealthPathways account?

Unfortunately, you are not able to access BN HealthPathways without having a personal HealthPathways account.

Can I bookmark or save my personal HealthPathways account to my browser Favourites and access it without entering my credentials each time?

Yes. You can bookmark your personal HealthPathways login for quick access.

Can I access other HealthPathways sites (from another region) with my personal account?

Yes, users wanting to use other HealthPathways sites can easily request access as explained in [this video](#).

Can I get CPD points by using HealthPathways?

Yes, HealthPathways use can be self-reported as a reflective CPD activity with RACGP or ACRRM. Your personal account enables the HealthPathways platform to log time spent on clinical pages for CPD reporting. Go to the [Continuing professional development page](#) to learn how to add learning notes and create CPD reports in HealthPathways.

How do I find out more information?

Email our BN HealthPathways team at healthpathways@brisbanenorthphn.org.au.
