

Wound education and clinical support program for nurses

17 February and 23 February 2021

Brisbane North PHN is inviting nurses in community and residential aged care facilities to participate in a fully funded position on the fundamentals of wound assessment and management program including clinical mentoring.

Delivered by Wound Innovations the program includes:

- participation in two interactive live streamed workshops
- access to a suite of online wound management education modules
- access to onsite clinical support and mentoring following the workshop
- support and training for set up and management of telehealth appointments for organisations who wish to use telehealth as a pathway of care for clients
- Certificate of Attendance on completion.

The program is fully funded with no cost to the participant or their organisation.

To be eligible for the program you must be working in a residential aged care facility or aged care community service within the Brisbane North region.

Workshop dates:

Part one:

Wednesday 17 February 2021
9.00 am - 1.00 pm
