Early bird registrations now open - Metro North Health Forum 2025

Early bird registrations are now open for the ninth annual Metro North Health Forum, jointly hosted by Brisbane North PHN and Metro North Health.

Wednesday 7 May 2025 | 9.30 am – 3.30 pm
Victoria Park Function Centre, The Ballroom, Herston

Brisbane North PHN and Metro North Health will bring together a wide range of stakeholders for the ninth annual Metro North Health Forum at Victoria Park, Herston on Wednesday 7 May 2025. This year's forum provides an opportunity for face-to-face engagement and networking, where attendees will learn more about innovative models of care and ways of working. Attendees are invited to connect, engage and collaborate across community, primary and acute care sectors.

Keynote speakers

This year's forum theme, Partnering for Innovation, will see keynote speakers including Dr Dinesh Palipana OAM, Karina Smith and staff from Brisbane North PHN and Metro North Health share local examples of partnerships across the healthcare system.

Dr Dinesh Palipana

Dinesh's presentation will address why medicine needs to embrace workflow innovation and technology. He draws upon his work in the Emergency Department (ED) at the Gold Coast University Hospital, as a doctor for the Gold Coast Titans physical disability rugby team, and as a spinal cord injury researcher, co-leading the BioSpine research team.

Karina Smith

Karina's session will focus on human-centred design practices, exploring new ways of working that drive meaningful change in healthcare by including the many people involved in shaping, delivering and receiving services.

Registration

Early bird ticket \$75.00 – register and pay before 30 April 2025.
