

Position description

Position	Data Analyst Knowledge, Planning and Performance		
Purpose	Maximise the accessibility and actionability of PHN data		
Approval date	8 April 2022	Approved by	Paul Martin

Brisbane North PHN

Our vision is a community where good health is available for everyone.

Brisbane North PHN supports clinicians and communities in Brisbane's northern suburbs, Moreton Bay Regional Council and parts of Somerset Regional Council. It covers approximately 4,100 km² of urban, regional and rural areas, with a population of over one million.

We are one of 31 Primary Health Networks across Australia.

We work with local communities, consumers, carers, health professionals, hospitals and community providers to understand our community and their needs. We then engage stakeholders to design and commission programs and services to meet those needs.

Our PHN's goals:

- be informed and led by community voice
- re-orient the health system toward care close to home
- build capacity of providers to meet health needs of our region.

The PHN's values:

- Collaboration: We build strong and enduring relationships to achieve our shared goals
- Diversity: We are inclusive, fair and responsive to different needs
- Integrity: We are transparent, respectful and work to the highest standards
- Courage: We lead new approaches, learn and improve
- Impact: We deliver outcomes for our community.

Key outcome areas

To ensure the organisation works effectively to achieve its annual business plan, each team member has responsibility for a range of activities and outcomes. These activities and outcomes are reviewed once a year formally and on an ongoing basis informally with team members and managers.

Role-specific

- develop and maintain PowerBI dashboard reports and provide staff with ongoing support including presenting at relevant meetings as required
- support the organisation with uploading and reporting data sets to funding bodies
