Position	Allied Health Coordinator Team Care Coordination		
Purpose	To provide allied health assessments to clients, and consultation and training for clinical nurses, to support delivery of care for people accessing the Team Care Coordination Program.		
Approval date	7 April 2021	Approved by	Paul Martin

Brisbane North PHN

Our vision is a community where good health is available for everyone.

Brisbane North PHN supports clinicians and communities in Brisbane's northern suburbs, Moreton Bay Regional Council and parts of Somerset Regional Council. It covers approximately 4,100 km² of urban, regional and rural areas, with a population of over one million.

We are one of 31 Primary Health Networks across Australia.

We work with local communities, consumers, carers, health professionals, hospitals and community providers to understand our community and their needs. We then engage stakeholders to design and commission programs and services to meet those needs.

Our PHN's goals:

- be informed and led by community voice
- re-orient the health system toward care close to home
- build capacity of providers to meet health needs of our region.

Key outcome areas

To ensure the organisation works effectively to achieve its annual business plan, each team member has responsibility for a range of activities and outcomes. These activities and outcomes are reviewed twice a year formally and on an ongoing basis informally with team members and managers.

Role-specific

- identify and/or develop an allied health client assessment tool, procedures and pathways for use in the Team Care Coordination program
- conduct in-home face-to-face functional, falls prevention and activities of daily living assessments, and make recommendations for at-risk people living with chronic health conditions
- work collaboratively with the clinical nursing team and client care providers to support completion of timely and comprehensive assessments and recommendations
