

Position description

Position	Project Lead Healthy Ageing		
Purpose	To support the Commonwealth Home Support Programme Consortium (Healthy@Home) and lead collaborative and strategic activities across the Aged and Community Care Team.		
Approval date	14 July 2021	Approved by	Libby Dunstan

Brisbane North PHN

Our vision is a community where good health is available for everyone.

Brisbane North PHN supports clinicians and communities in Brisbane's northern suburbs, Moreton Bay Regional Council and parts of Somerset Regional Council. It covers approximately 4,100 km² of urban, regional and rural areas, with a population of over one million.

We are one of 31 Primary Health Networks across Australia.

We work with local communities, consumers, carers, health professionals, hospitals and community providers to understand our community and their needs. We then engage stakeholders to design and commission programs and services to meet those needs.

Our PHN's goals:

- Be informed and led by community voice
- Re-orient the health system toward care close to home
- Build capacity of providers to meet health needs of our region

The PHN's values:

- Collaboration: We build strong and enduring relationships to achieve our shared goals.
- Diversity: We are inclusive, fair and responsive to different needs.
- Integrity: We are transparent, respectful and work to the highest standards.
- Courage: We lead new approaches, learn and improve.
- Impact: We deliver outcomes for our community.

Key outcome areas

To ensure the organisation works effectively to achieve its annual business plan, each team member has responsibility for a range of activities and outcomes. These activities and outcomes are reviewed once a year formally and on an ongoing basis informally with team members and managers.

Role-specific

- lead projects within the Healthy Ageing team from planning and development through to realisation

t 07 3490 3490 f 07 3630 7333

- support consortium aged care service providers to implement quality improvements
- establish and maintain collaborative working relationships with relevant internal and external stakeholders; including engaging with consumers, carers, community and healthy@home consortium members
- strengthen capacity of the community aged care sector to overcome challenges, respond to reform and build partnerships in improving continuity of care for people in the region
- stay abreast of national aged care and related health policy changes; convey relevant information within the Aged and Community Care team and healthy@home consortium; and identify implications and proposed activities or responses
- identify business development and innovative opportunities and write project and funding proposals in the context of national aged care reforms and to address identified needs.

General

- regularly attend team and staff meetings
- contribute to the pursuit of excellence through promoting and maintaining positive team spirit and organisational values, abiding by the organisation's Code of Conduct and Leadership Capability Framework, implementing all policies and procedures correctly and recommending quality improvements
- communicate effectively and respectfully with all members of the organisation and external stakeholders
- record all interactions in ChilliDB and other program and project databases on time, ensuring that information is relevant, accurate, up-to-date and accessible by other team members
- comply with reporting requirements as directed by your manager
- deal with sensitive information in a confidential and professional manner
- complete other reasonable duties and projects as required to meet organisational objectives

Reporting relationships

Relationships

Reports to: Manager | Healthy Ageing

Direct reports: None
