

Redcliffe State High School is seeking a GP 1 day per week

The Department of Education is conducting a *GPs in Schools Pilot*, placing GPs in 50 Queensland state schools with secondary students. Students are provided with free access to a GP at school 1 day per week. This removes barriers students may otherwise face to receiving timely and appropriate healthcare.

Benefits include:

- ✓ Working during school hours
- ✓ One day a week during school terms
- ✓ Free use of fit-for-purpose school-based clinic
- ✓ Dedicated staff to manage bookings
- ✓ Friendly work environment

If you are interested in taking up this exciting opportunity, please contact GPsInSchools@qed.qld.gov.au or visit <https://education.qld.gov.au/students/student-health-safety-wellbeing/student-wellbeing-package>
