

INVITATION: Chronic disease management webinar series

Tuesday 12 and 19 November 2024 | 6.00 – 7.00 pm

General practice teams are invited to build skills in managing chronic disease services in primary care by joining Jane Calligeros, CEO | CDM Plus for our upcoming webinar series.

Topics covered across two hour long sessions will support practice staff to increase workforce capability, improve care coordination and reduce risk factors associated with chronic conditions.

Webinar 1: Tuesday, 12 November 2024 6:00–7:00 pm

- CDM processes and team roles
- MyMedicare
- MBS item numbers for chronic disease management.

Webinar 2: Tuesday, 19 November 2024 6:00–7:00 pm

- Care plans and reviews
- Text shortcuts
- Care plan demonstration.

This is a free webinar series with limited places.
