

INVITATION: Getting started with mental health webinar series

Thursday 11 and 18 July 2024 | 12.00 pm – 1.00 pm

General practice staff are invited to join Brisbane North PHN and Jane Calligeros, CEO | CDM Plus, for a series of webinars to improve your team's skills in managing mental health services in primary care.

Webinar 1: Thursday, 11 July 2024 12:00-13:00 pm

- mental health treatment plans and reviews
- team care arrangement for mental health
- eligible patients

Webinar 2: Thursday, 18 July 2024 12:00-13:00 pm

- MBS item numbers for mental health
- mental health consultations
- case conferences

At no cost to your practice, this training is designed to increase workforce capability, improve care coordination, and reduce risk factors for chronic conditions associated with mental illness.

Participants will also receive a mental health toolkit, including webinar recordings, templates for clinical software, text shortcuts, and MBS billing sheets.

Spaces are limited. Participants should register to attend both webinars.
