

Metro North GP Alignment Program

MATERNITY WORKSHOP

SATURDAY 22 OCTOBER 2022

Numbers will be limited to 80 participants

Clinical Skills Development Service, Level 5, Block 6, RBWH

ABOUT THE WORKSHOP

Metro North Health and Brisbane North PHN GP Liaison Officer team invite GPs to join us at the 2022 Maternity GP Alignment workshop. Local specialists will provide over 6 hours of education covering topics including:

- first trimester presentations
- screening and diagnostic tests
- diabetes in pregnancy
- prescribing in pregnancy
- communication with Metro North birthing facilities
- options for maternity care
- Rh-negative women
- early pregnancy bleeding
- hyperemesis
- immunisations
- hypertension
- pre-eclampsia
- depression
- VTE prevention
- reduced fetal movements
- pre-term birth prevention
- postnatal care
- breast feeding

PRESENTERS

Presenters/facilitators include specialists in obstetrics and gynaecology, maternal fetal medicine, obstetric medicine, perinatal mental health, genetic counsellor, pharmacists, physiotherapists, dieticians, social workers, lactation consultants, midwives, nurses and GPs.

By registering, you agree to participate in the full program, including completion of predisposing and reinforcing activities.

Closely aligned with Mater Mothers Maternity GP Alignment Program and other Queensland Health Maternity GP Alignment Programs.
