

We invite you to join us for an educational topic in tandem dinner

Menopause, a new view

and *Navigating
the fertility journey*

Regatta Hotel 543 Coronation Drive, Toowong

Wed 18 October 2023 – World Menopause Day – 6.00-9.00pm

Expand your fertility knowledge and spend an evening with two of our highly regarded Fertility Specialists to discuss **'Menopause, a new view'** and **'Navigating the fertility journey'**. Dinner will be provided in the Thornton and Gailey Rooms at The Regatta Hotel.

Dr Scott Salisbury

Dr Scott Salisbury is a fertility & gynaecological specialist whose career in fertility started in London over 25 years ago before he returned to his home state of Queensland. His expertise covers a wide range of gynaecological issues, fertility treatment in men and women, and IVF.

Dr Melissa Luckensmeyer

Dr Melissa Luckensmeyer is a Fertility Specialist and Obstetrician, with a highly reputable private practice in Spring Hill, Brisbane. Her knowledge and extensive experience working across infertility, obstetrics & gynaecology, allow Melissa to provide the highest level of continued specialist care for her patients – from fertility planning and treatment, to conception, and through to pregnancy and birth.
