

# INVITATION

## Residential Aged Care Homes Clinical Masterclass

Thursday 7 May OR Wednesday 20 May 2026 | 8.30 am - 12.30 pm

**Brisbane North PHN invites RACH clinical staff to attend one of our RACH Clinical Masterclasses focused on outbreak preparedness and after hours care.**

**Outbreak management in RACHs** presented by Metro North Health Public Health Unit, covering:

- managing respiratory and gastroenteritis outbreaks
- key guidance and available resources
- actions required at each stage of an outbreak
- practical strategies used by other RACHs.

### **Supporting RACHs after hours**

This session includes updates from after hours service providers and a panel discussion. Topics include:

- when to access after hours support
- what support services can provide
- managing clinical concerns overnight and on weekends.

**A confirmed program will be provided when finalised and is subject to change.**

This free clinical masterclass includes complimentary refreshments. Registrations are essential and close one week prior to each event. Please register for only one session, as the content is the same across both dates.

For more information, please email:

[agedcareprojects@brisbanenorthphn.org.au](mailto:agedcareprojects@brisbanenorthphn.org.au).
