

Training Opportunity

My Health Record for GPs, Registrars and practice nurses

Brisbane North PHN is pleased to offer, in collaboration with Benchmark, a fully interactive My Health Record Virtual Training Program.

This two-hour online session is designed to provide GPs, Registrars and practice nurses with a comprehensive overview of the My Health Record system, equipping you with the knowledge to access and effectively use the platform in your practice.

Healthcare providers will learn:

- My Health Record's key benefits
- how to access and navigate the platform
- steps for clinic implementation
- My Health Record's governing legislation and security measures
- how clinic policies regulate its use
- how to support consumers in managing their records.

EOIs are now open for training on two separate dates. When submitting your EOI, please indicate your preferred date, noting that spots are limited to 30 participants per session. Submit your EOI by **Monday 24 March 2025**.
