

Fast Track User Guide

To help you navigate more efficiently around the SEQ Murri Service Directory

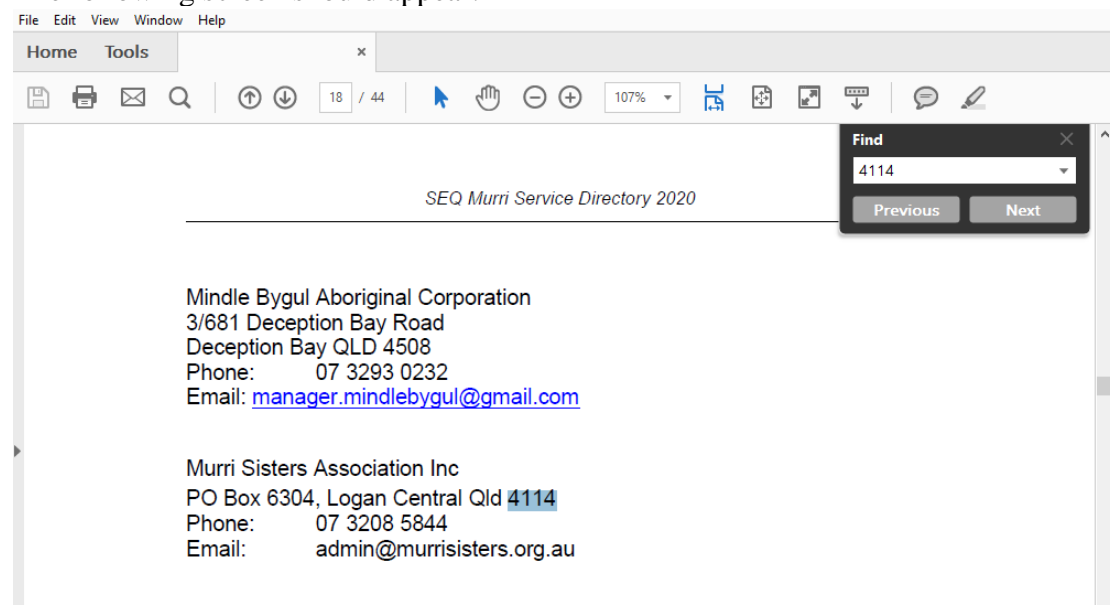

Click on Find Text

The following Screen will appear:
Type in 4114

This will identify the first 4114 which appears in the document.
The following screen should appear:

Each time you click on Next the document will move you to where the next 4114 appears.

If you only know half the telephone number, the street name, suburb, postcode or name of the organisation then insert what you know and this navigation device will help you find the information you seek more quickly.

If you think anyone else either Clients or organisations who may benefit from using this document then please feel free to pass it on.

Enjoy 😊
