

Educational Visiting

Picking up where NPS MedicineWise left off

Upskill your team with practical, evidence-based education that fits around your schedule. Our Australian Government-funded educational visits are independent, interactive and designed to support consistent, high-quality patient care.

- **Interactive, collaborative group learning**
- **Delivered by an expert facilitator**
- **Flexible delivery - choose a virtual or face-to-face session at a time that suits your team**
- **Access high quality, endorsed resources for use with your patients**
- **Earn CPD: 1 hour Reviewing Performance CPD per session (plus an optional 2.5 hour Measuring Outcomes activity)**

Current program: Osteoporosis: secondary fracture prevention

Build confidence in assessing fracture risk, optimising treatment and supporting patients to prevent further fractures.
