

# Are you interested in improving the health of people living in our region?

Join our **People Bank** register.

**Brisbane North PHN** is an organisation that aims to provide better access to healthcare and to improve the health and wellbeing of our community. To do this, we need to hear from many community members to make sure we support services that fill gaps in our healthcare system.

## What is it?

People Bank is a register of individuals who would like to make healthcare better for people living in Brisbane's northern suburbs, Moreton Bay, parts of Somerset Regional Council and Norfolk Island.

## What's involved?

As a member of People Bank, you will have the opportunity to participate and have your say in activities such as:

- workshops, focus groups and forums
- committees and working groups
- panels
- surveys.

Join Brisbane North PHN's People Bank to be notified of opportunities to get involved and have your say.
