

# Urgent Care Industry Workshops

A full day workshop & networking opportunity

Thursday 7 May 2026 | Friday 8 May 2026

Whether you're working in urgent care or aspiring to – this is for you.

Build practical skills, grow confidence and connect with clinicians delivering high-quality urgent care every day.

- Co-designed by **industry experts and university academics**
- Grounded in **hands-on, experiential learning**
- Focused on real-world **urgent care presentations**
- Learn with **peers** - not just from presenters

Places are limited, so get in quickly to lock your spot!
